

Freeze Frames

Send one student out of the room and give the other students 30 seconds to get into the following freeze frames with as little discussion as possible. As you count them down in the last 10 seconds bring the student who is out of the room back inside and see if they can work out what the others are 'doing'. Good for revising the importance of team work; body language; facial expressions.

School lunch hall
Waiting for a bus that's late
On an airplane in turbulence
On the beach and the lifeguard has just seen someone in trouble
At a premiership football match and one team has just scored
On a sinking ship
At a wedding when someone objects
At a pantomime
Last day of school
In a court room and the jury's decision has just been announced
World tobogganing championships
Space shuttle at launch
TV news studio
At Wimbledon
Army recruits just arriving on a bus
At the opening night of an important art exhibition and someone has just knocked over a sculpture
