

Contextual information

In groups, you are going to research some of the issues / places in Holes. You will research your area carefully and create a presentation to give to the group.

Camp Green Lake is in Texas. Find out more about the state.

Where is Texas? Find a map of it. How big is the state? (You might be asked to find some comparative statistics so that you can compare to the size of the place you live)

What is the weather like?

What is the landscape like?

What is the population of Texas? (How many people live there?)

What can you find out about its society?
