Alex Luther	Kelani Adams	Snakeskin	

1. Who are all the characters? Make notes on each one.
2. In what ways are the characters connected to each other? See how many links you can make between all the characters.
3. How major or minor are the characters? Draw a diagram in which you place the most important characters in the centre and more minor characters further out. Some of the characters will be easy to place but what about some of the others? Discuss your choices with a partner.
