

Writing your own 'Jamaica Market' poem

Use this plan to help you write your poem. You can change some of the ideas in the brackets.

..... Market

Try to keep the lines to a similar length.

1. Cabbage, carrots, dirty brown potatoes

2.
(Name 2 types of fruit and then describe the colour of a third)

3.
(List 3 more types of vegetable – don't forget to describe the colour)

4.
... (Describing the colours, list more things you can see)

5.

6.Noisy loud voices, calling out the prices

7.
..... (What can you hear in the market?)

8.
(Try to end your poem by saying how the market makes you feel)
