Pike, three inches long, perfect  
Pike in all parts, green tigering the gold,

What does the poet mean  
when he says they dance?

What do the pike think of  
themselves?

Why are they looking at the  
surface?

Why was there only one fish left?

Why did it have a sag belly and  
a grin?

How was the pond created?

Was the pond really as deep  
as England?

Which words suggest he was afraid  
to fish at night?

What is he afraid of?
