

*Romeo and Juliet* NCT question

Act I Scene V

TASK 1

Imagine you are the Director of a stage production of *Romeo and Juliet*.

Explain how the actors should play their parts in order to show the audience the changing mood of the scene.

Before you begin to write you should think about:

- What you would tell the actors to do when the scene opens;
- What you would say to the actors playing Romeo and Juliet about their roles;
- What you would tell the actors playing Tybalt and Capulet about how to play their parts.
