

The Dual Narrative

Throughout the novel we often get the same events and situations presented from different perspectives: both Link and Shelter tell us their side of the story. Use the table below to record when they give us their opinions, or understanding, of something similar. The first one has been done as an example for you.

Link	Summary	Shelter
<p>'I'm invisible, see? One of the invisible people.' (p.1)</p>	<p><b>Link and Shelter give us their first opinions on homeless people</b></p>	<p>'Shelter, as in shelter from the stormy blast. It's what they're all seeking. The street people.' (p.2)</p>
