

## Chapter headings

In the wordsearch below are all the chapter headings from the novel. They are hidden forwards, backwards, diagonally and completely back to front. No gaps have been left between words and punctuation has been left out. There are seventeen chapters in total; see if you can find them all.

- Here are the chapter headings you have to find but they are all in the wrong order. Once you have found them in the wordsearch see if you can identify which order the chapters go in.

eleven o'clock	so what do you say
physalia physalia	dozmary mine
funeral voices	twelve o'clock
toys aren't us	looking for trouble
behind the door	royal and general
deep water	yassen
heaven for cars	death in the long grass
night visitors	the school boy
	double o'stthing

- As you read the novel, keep a list of the chapter titles and write a summary of each one in not more than twenty words.
