

Plot Time Line

1. Make a list of as many events from the book as you can think of.
2. Carefully number the events in the order they happen.
3. Look at the events and decide which ones are to do with:
 - a) Family
 - b) The drama group
 - c) Fairy tales
4. Design a logo to represent these 3 things
5. In your books draw a rough time line of the events that happen in *Wolf*.

6. Draw the appropriate logo to go with each event.

Extension:

Find a suitable quote to go with each event. Number the events and write the quotes underneath.
