

A Longer Writing Task

Some money has been awarded to your local community and the following proposals have been made by the Council:

a A community centre could be built with a café, theatre, conference room, sports hall and youth club.

OR

b A park could be built with a full-sized football pitch, a skateboarding park, a duck pond and a children’s playground (for under 10s).

Write a letter to the leader of the Council, commenting on these two proposals and advising which, in your opinion, would benefit the local community most.

Use the grid below to help you plan your ideas:

Benefits of building the community centre	Drawbacks to building the community centre
Benefits of building the park	Drawbacks to building the park
Opinion about which is the best plan and why
