THEATRE CLUB SHEET

NEW THEATRE CLUB OPEN NOW!

A new theatre club has opened for young, aspiring actors in your area. It is intended for those without acting experience who would like to take part in plays (either acting or in a technical capacity, such as stage design) on a regular basis. A sheet has been designed to hand out locally. It will tell people all about the theatre club and the activities on offer.

It is a single-sided sheet and must contain key information about the club.

Write the clear information needed. Do not spend time on the design, or drawing pictures. You should:

- Inform those interested in joining the club where it is;
- Describe the activities that will be on offer;
- Explain the ways that people could be involved in the club.

PLANNING
