

Remarkable Incident of Dr Lanyon

On the next slide is a set of statements which are either true or false.

Copy the true ones into your book.

Correct the false ones and then write them down.

1. For two months, Jekyll becomes very withdrawn after Hyde's disappearance and never sees his friends.
2. Dr Lanyon becomes very sick and is on the verge of dying.
3. Lanyon hints to Utterson that he knows the truth about Jekyll.
4. Dr Jekyll writes to Utterson and begs for help.
5. When Lanyon dies, Utterson receives a package which is not to be opened until after Jekyll's death.
6. Utterson vows never to see Jekyll again.

Extension: Find a quotation for each of the statements.
