

## Jack's rise to power

---

“People use **fear** to squash group power”

“**Evil** comes through **small steps** of hostility”

Every society needs the majority of people to **obey the rules**”

“The danger comes when people **are not thinking** about why they are acting”

“People need someone to be responsible”

- ✓ Using these quotations as a starting point, consider the “small steps” Jack takes to gain power.
- ✓ Find a quotation from the text to support your ideas.
