"I've never quite believed that one chance is all I get. Writing is my way of making other chances."

-- Anne Tyler

"I believe talent is like electricity. We don't understand electricity. We use it. You can plug into it and light up a lamp, keep a heart from stopping, light a cathedral, or you can electrocute a person with it. Electricity will do all that. It makes a statement. I think talent is like that. I believe every person is born with talent."

-- Maya Angelou
