

*ESSAY QUESTION*

You have 15 minutes to read the questions, re-read the scene and make notes. You must not start your answer in this time. You then have 45 minutes to write your answer.

**Act Two Scene Four (line 82) - end of Act Two Scene Five.**

The Nurse talks to various people in these two scenes. Explain how you would direct the actress playing the part to behave throughout this part of the play. Consider the following:

- how the Nurse makes her entrance and how she responds to Mercutio's teasing;
- what the Nurse discusses with Romeo and how she feels towards Juliet;
- the way in which the Nurse makes Juliet wait before she tells her the news.

You should write about the Nurse's words and actions. Use quotations in your answer.
