POINTS TO CONSIDER:

Remember to compare on the way that Juliet has just happened before this scene, as it will have implications for the way the characters behave here; Look at how the scene develops and the way the tension and anger rise.

Consider Capulet's rising anger and the way his threats become more and more violent; Use quotations in your answer.

USING QUOTATIONS:

Remember, if you quote from the text you must be **accurate** in your spelling and punctuation;

You need opening and closing quotation marks;

Short relevant quotations are much better than long unfocused ones;

If the quotation is only a few words, include it in your line of text otherwise set it out on a separate line.
