

Introduction and Definition.

What are you proposing?

For example: This house would ban junk food

What is your definition of junk food?

Junk food is pre-prepared food that is high in fat; salt and sugar. I include food bought at fast food chains as junk.

Outline of case / speech

The 3 points I am going to make are:

- 1.
- 2.
- 3.

Rebuttal

_____ (name) on the proposition /
opposition said that.....
.....

But I disagree because
.....

Point 1

Statement - *what is your point?*

Explanation - *explain your point in more detail*

Illustrations - *any facts; quotes or statistics to back up your point*

Point 2

Statement - *what is your point?*

Explanation - *explain your point in more detail*

Illustrations - *any facts; quotes or statistics to back up your point*

Point 3

Statement - *what is your point?*

Explanation - *explain your point in more detail*

Illustrations - *any facts; quotes or statistics to back up your point*

Summary

Summarise the 3 points you have just made.

To summarise, my 3 points were:

1.

2.

3
