

Themes

There are a range of themes in the play which you may feel have varying degrees of importance. Discuss with others the themes below and rank them so that the most significant theme is at the top and the least significant is at the bottom. You might want to diamond rank the themes rather than put one after the other. Be prepared to justify your choices: others might not agree with you.

Business ethics
Families
Father and son relationships
Female relationships
Friends
Guilt
Identity
Innocence
Justice
Male relationships
Marital relationships
Morality
