

I am changed....

Think about each of the characters in turn in relation to the context of change. For each, write one sentence about what they are like at the start of the play, one about what they are like at the end of the play ("dead" does not count!) and one about the catalyst for change.

Character	At the start	At the end	Catalyst
Vermandero			
Tomazo			
Alonzo			
Alsemero			
Jasperino			
Deflores			
Beatrice			

Character	At the start	At the end	Catalyst
Diaphanta
