

What is the novel about?

Discuss and then rank the following according to their importance to the novel. You may want to diamond rank the ideas if you can not put one above another in all cases. Are there any that you completely disagree with? Do any stand out as the most important theme or aspect of the novel? Do you have any other ideas that you would like to include, whether at the top or bottom of your ranking?

Love
Truth
The future
The past
Wealth
Greed
Morality
Friendship
Loyalty
American Dream
Criminals
Family
